

Curriculum Vitae - Stefano Alivernini

Name: Stefano Alivernini
Date of birth: 19 September 1980
Nationality: Italian
Current post: Academic Researcher – Consultant in Rheumatology, Institute of Rheumatology, Fondazione Policlinico Universitario A. Gemelli – Catholic University of The Sacred Heart
Employer: Fondazione Policlinico Universitario A. Gemelli – Catholic University of The Sacred Heart

Previous Posts:

2011–2015 Consultant in Rheumatology, Institute of Rheumatology, Policlinico Universitario A. Gemelli – Catholic University of The Sacred Heart;

2010-2011 Research fellow at the “Institute of Infection, Immunity and Inflammation”, University of Glasgow, United Kingdom

2010 Research fellow at the “Department of Clinical Immunology and Rheumatology”, Academic Medical Centre, Amsterdam;

Qualification:

2016 Master degree in Translational Research in Rheumatology – University of Trieste

2013 PhD in “Clinical Proteomics” at the University of Verona, with the work entitled “The role of miR-34 and miR-22 in the activation of RA monocytes and dendritic cells and its contribution to Rheumatoid arthritis” under the tutorship of Prof. Gianfranco Ferraccioli, Dr. Mariola Kurowska-Stolarska and Prof. Iain B McInnes.

2009 Subspecialty degree in Rheumatology at the Catholic University of the Sacred Heart, Rome, with the work entitled “Analysis of the wound fluid of skin ulcers of patients with Systemic Sclerosis” under the tutorship of Prof. Gianfranco Ferraccioli.

2004 Degree at the School of Medicine at the Catholic University of the Sacred Heart, in Rome” with the work entitled “Study of the TNF-RII polymorphism and cytokines profile in patients with Systemic Sclerosis and cardio-pulmonary involvement”, under the tutorship of Prof. Gianfranco Ferraccioli.

PUBLICATIONS

Synovial features of patients with rheumatoid arthritis and psoriatic arthritis in clinical and ultrasound remission differ under anti-TNF therapy: a clue to interpret different chances of relapse after clinical remission?
