

Katie Druce

Country: United Kingdom

Contact e-mail: katie.druce@manchester.ac.uk

Main diplomas:

- PhD: A Study of Fatigue in Inflammatory Arthritis (2011-15; University of Aberdeen).
- MSc: Psychological Research Methods (2010-11; University of Edinburgh).

Current position and hospital/university:

- Research Associate (April 2016-current); Arthritis Research UK Centre for Epidemiology; University of Manchester.

Position within EULAR:

EMEUNET member

Role as EMEUNET working group member:

Peer Mentoring and Education subgroups.

Areas of Research/Interest:

Fatigue, pain and sleep as important patient reported outcomes in rheumatic diseases.

Keywords: Fatigue, pain, sleep, patient-reported outcomes.
