EDITION AUGUST 2016

**SPECIAL EDITION:  
MEET THE EMEUNET  
WORKING GROUP  
2016-2017**

Dear young rheumatologists and researchers in rheumatology,

We are happy to present you a new issue of EMEUNews and to introduce the EMEUNET Working Group 2016-2017.

This group represents the EMEUNET Community and undertakes the organisational role to facilitate the wider aims of EMEUNET. Currently the EMEUNET Working Group has 43 people from most of the 21 EULAR Countries.

The application process is competitive and takes place annually in April-May. Applications are scored by the EMEUNET Steering Committee and a decision is made primarily on scientific merit, but also by country representation, age, and prior work done within EMEUNET or in national young rheumatologist's associations.

If you would like to join the EMEUNET Working Group and be actively involved in our activities keep an eye on emails from EMEUNET and do not miss next call for application! If you already applied but have not been selected, this does not preclude you to apply again the following year.

In this issue you will also find details about upcoming educational EULAR events.

If this is your first contact with EMEUNET, we invite you to explore more and join us. If you are already part of our community, we kindly remind you that sharing is caring. Spread the word about our activities and work, and help us reach more young rheumatologists and researchers.

We hope that you enjoy reading this Newsletter and would be happy to receive any comments or contributions for future issues.
