## **SPECIAL EDITION: EMEUNET SUBGROUPS AND ACTIVITIES**

Dear young rheumatologists and researchers in rheumatology,

We are happy to present you a new issue of EMEUNews to introduce EMEUNET Subgroups and activities.

The EMEUNET Working Group represents the EMEUNET Community, undertakes the organisational role and currently has 43 people from most of the 21 EULAR Countries. The work is divided among 7 Subgroups to cover the wide aims of EMEUNET. From education to peer mentoring, from country liaison to social media, EMEUNET Subgroups ensure the growth of EMEUNET community and promote interaction and networking among members.

If you would like to join the EMEUNET Working Group and be actively involved in the Subgroups' activities keep an eye on emails from EMEUNET and do not miss next call for application! If you already applied but have not been selected, this does not preclude you to apply again the following year.

In this issue you will also find details about upcoming educational events.

If this is your first contact with EMEUNET, we invite you to explore more and join us via our website (<http://emeunet.eular.org>). If you are already part of our community, we kindly remind you that sharing is caring. Spread the word about our activities and work and help us reach more young rheumatologists and researchers.

We hope that you enjoy reading this Newsletter and would be happy to receive any comments or contributions for future issues.
