THE 7TH COUNTRY LIAISON VIRTUAL MEETING AT EULAR 2020

This year has been unique for everyone, as the traditionally held face-to-face country liaison meeting went virtual in the context of the EULAR E-Congress, due to the COVID-19 pandemic. Nevertheless, the participation of the Country Liaisons was outstanding with high attendance outnumbering previous editions.

This year, Jelena Colic (Serbia), George Fragoulis (Greece) and Philipp Bosch (Austria) presented their previous year work. Afterwards, all CLs engaged in discussing their relationship with their national societies and how they managed to establish contact and work along with them. Before closing the meeting, the traditional survey used to be sent to each CL was changed for a live one using Kahoot! so we can have our discussion in a more ludic way. Again, lots of ideas were brought into the discussion so we end-up with many opportunities for developing new projects.

Despite not being able to have our annual meeting the way we used to, it was a pleasure sharing this experience with all the Country Liaisons and members of the Subgroup that participated. Hopefully, next year we will meet each other again at the EULAR congress in Paris. Meanwhile, stay safe and keep with your terrific work!
