SPECIAL EDITION: EMEUNET SUB-COMMITTEES AND ACTIVITIES

Dear young rheumatologists and researchers in rheumatology,

We are delighted to present you with the new issue of EMEUNET News, entirely devoted to the EMEUNET Sub-Committees and their activities.

The EMEUNET (The Emerging EULAR Network) is an exciting community that started its activities in 2009, emanating from one of the objectives set by EULAR – "Bring on board high quality, young generation contributors in all EULAR activities". Since January 2021, EMEUNET has become one of EULAR Committees.

Our work is divided within 6 Sub-Committees (uniting 54 active members from 23 countries) each focusing on a particular aspect of EMEUNET. Current Sub-Committees include Education, Country Liaison, Social Media, Visibility and Global Affairs, Peer Mentoring and Newsletter. EMEUNET Sub-Committees ensure the growth of EMEUNET and promote interaction and networking among members.

The call for applications for the EMEUNET Subcommittees for 2022-23 has just been launched! Stay tuned and apply to become a member of our dynamic team. If you have unsuccessfully applied in previous years, this does not preclude you from applying again this year.

In this issue, you will also find details about upcoming educational events.

If this is your first contact with EMEUNET, we invite you to explore more and join us via our [Website](#) and social media ([Facebook](#), [Twitter](#), [LinkedIn](#), [YouTube](#)) If you are already part of our community, we kindly remind you that sharing is caring. Spread the word about our activities and work and help us reach more young rheumatologists and researchers.

We hope that you enjoy reading this newsletter and would be happy to receive any comments or contributions for future issues.

Diego Benavent and Mikhail Protopopov, on behalf of the EMEUNET Newsletter Sub-Committee
