SPECIAL EDITION EMEUNET SUBGROUPS AND ACTIVITIES

Dear young rheumatologists and researchers in rheumatology,

We are delighted to present you with the new issue of EMEUNews, entirely devoted to the EMEUNET subgroups and their activities.

The EMEUNET Working Group represents you and the EMEUNET community to facilitate the wider aims of EMEUNET. The group currently has 54 members from 17 EULAR countries. Our work is divided within 6 subgroups each focusing on a particular aspect of EMEUNET. Current subgroups include Education, Country Liaison, Social Media, Visibility and Global Affairs, Peer Mentoring and Newsletter. EMEUNET subgroups ensure the growth of EMEUNET community and promote interaction and networking among members.

The call for applications for the EMEUNET Working Group for 2020-21 has just been launched! Stay tuned and apply to become a member of our dynamic team. If you have unsuccessfully applied in previous years, this does not preclude you from applying again this year.

In this issue, you will also find details about upcoming educational events.

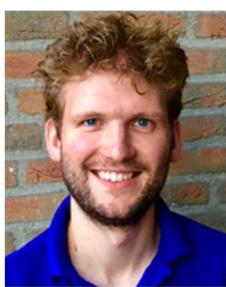

If this is your first contact with EMEUNET, we invite you to explore more and join us via our website (<http://emeunet.eular.org>) and social media (<https://www.facebook.com/EMEUNET> & <http://twitter.com/emeunet>). If you are already part of our community, we kindly remind you that sharing is caring. Spread the word about our activities and work and help us reach more young rheumatologists and researchers.

We hope that you enjoy reading this newsletter and would be happy to receive any comments or contributions for future issues.

James Bluett and Casper Webers, on behalf of the EMEUNET Newsletter Subgroup

James Bluett
