

## EULAR DO NOT MISS

### **EULAR 2020 E-CONGRESS**

- Oral presentations and posters
- “The young rheumatologist” sessions
  - Networking event
  - Mentor/Mentee meetings
  - Country Liaison Meeting
  - Educational Opportunities

Dear young rheumatologists and researchers,

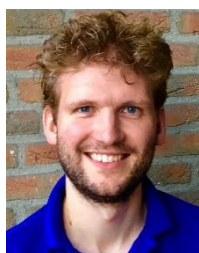

We are delighted to present to you with a new issue of EMEUNews, focusing on a selection of Do Not Miss abstracts, sessions and events at the EULAR 2020 e-Congress.

The COVID-19 pandemic has imposed unprecedented changes in our personal and professional lives. Therefore this year, the EULAR committee has decided to organise a virtual congress experience. We provide you with a selection of oral presentations and posters that we consider to be noteworthy, including the two most interesting abstracts (in our opinion) for each topic, highlighted in **bold**. Although the abstracts represent a personal and inevitably limited selection from the vast amount of information to be presented, we believe that our selections will provide some inspiration to attendees. Also, in light of current events, we would consider the three COVID-19 related sessions of the Congress *fully* Do Not Miss (see **page 4** for an overview of these sessions).

In addition, this Newsletter contains details about EMEUNET events organized during the E-Congress. As always, EMEUNET will be active on social media including Facebook and Twitter during the Congress. Finally, you will find the latest update on all information released by EULAR related to the COVID-19 pandemic.

We wish you a prolific and successful EULAR 2020 e-Congress. Stay safe, and see you online!

*Yuzaiful Yusof, Mikhail Protopopov and Casper Webers, on behalf of the Newsletter Subgroup*

## CONTENTS

<b>COVID-19 AND EMEUNET/EULAR</b>	<b>3</b>
