## EULAR DO NOT MISS

### **EULAR 2021**

- Oral presentations and posters
- “The young rheumatologist” sessions
  - Networking event
  - Mentor/Mentee meetings
  - Country Liaison Meeting
  - Educational Opportunities

Dear young rheumatologists and researchers,

We are delighted to present to you a new issue of EMEUNews, focusing on a selection of abstracts, sessions and events not to be missed at the EULAR 2021 Congress.

The second year in a row, EULAR goes virtual. As we all know, digital format has its own advantages, as the sessions may be accessed from anywhere at any time, but it is the opportunity to meet and greet colleagues in person that is missing again this year. Nevertheless, the scientific program is as lively as you expect it to be for the central event of the year. In this newsletter, we provide you with a selection of oral presentations and posters, thoughtfully picked by our contributors, that we consider being noteworthy. The most interesting abstracts for each section (in our opinion) are highlighted in **bold**. Although the abstracts represent a personal and inevitably limited selection from the vast amount of information to be presented, we believe that our selections will provide some inspiration to attendees.

In addition, this Newsletter contains details about EMEUNET events organized during the E-Congress. As always, EMEUNET will be active on social media including Facebook and Twitter during the Congress.

We wish you a prolific and successful EULAR 2021 Congress. Stay safe, and looking forward to meeting you online!

*Fabian Proft and Mikhail Protopopov, on behalf of the EMEUNET Newsletter Sub-Committee*

## CONTENTS

<b>ORAL PRESENTATIONS &amp; POSTERS</b>	<b>3</b>
Basic Research I	4
Basic Research II	5
RA I – Clinical (non-therapeutic)	5
RA II – Clinical (therapeutic)	6
Spondyloarthritis I - non-therapeutic	7
Spondyloarthritis II - therapeutic	8
Osteoarthritis & Osteoporosis	9
SLE & APS	10
Metabolic & crystal arthropathies	11
Other connective tissue diseases and vasculitis	12
Rare & Autoinflammatory Diseases	13
Imaging	14
Paediatric Rheumatology	15
COVID-19 and Rheumatology	16
PARE Sessions	17
Health Professionals in Rheumatology	18
<b>THE YOUNG RHEUMATOLOGIST SESSIONS</b>	<b>19</b>
