**SPECIAL EDITION:
MEET THE EMEUNET
WORKING GROUP
2019 - 2020**

Dear young rheumatologists and researchers in rheumatology,

We are excited to present you a new issue of EMEUNews and to introduce the EMEUNET Working Group for 2019-2020.

This group of enthusiastic young volunteers undertakes the participates in the organization of EMEUNET and its activities. Currently, the EMEUNET Working Group (WG) has over 50 members from 17 EULAR countries.

The application process is competitive and takes place annually in April-May. Applications are scored by the EMEUNET Steering Committee and a decision is made primarily on scientific merit, but also by national representation, age, and prior work done within EMEUNET or in national young rheumatologists' associations.

If you would like to join the EMEUNET WG and be actively involved in our activities, keep an eye on emails from EMEUNET and do not miss our next call for applications! If you have already applied but have not been selected, this does not preclude you from applying again for the following year.

As we welcome our new WG members, we sadly have to say farewell to WG members leaving, following a period of generous offer and hard work. The EMEUNET family is deeply grateful for their ample efforts over the last years and wishes them all the best onwards. Finally, as usual, in this issue you will also find details about upcoming educational events of interest to EMEUNET members.

We hope that you enjoy reading this newsletter and would be very happy to receive any comments or contributions for future issues.

Gonçalo Boletto and Casper Webers, on behalf of the Newsletter Subgroup
