## Dear young rheumatologists and researchers in rheumatology,

We are excited to present you a new issue of EMEUNews and to introduce the EMEUNET Committee and Sub-Committee members (previously known as Working Group) for 2021-2022.

This group of enthusiastic young volunteers participates in the organization of EMEUNET and its activities. Currently, it has 54 members from 23 different countries.

The application process is competitive and takes place annually in April-May. Selection is based on the motivation letter, scientific merit, prior contribution to EMEUNET activities (e.g. as a country liaison) as well as balanced gender and geographic representation.

If you would like to join one of the EMEUNET Sub-Committees and be actively involved in our activities, keep an eye on emails from EMEUNET and do not miss our next call for applications! If you have already applied but have not been selected, this does not preclude you from applying again for the following year.

As we welcome our new Committee and Sub-Committee members, we sadly have to say farewell to members leaving, following a period of outstanding initiative and hard work. The EMEUNET family is deeply grateful for their ample efforts over the last years and wishes them all the best onwards. Finally, as usual, in this issue you will also find details about upcoming educational events of interest to EMEUNET members.

We hope that you enjoy reading this newsletter and would be very happy to receive any comments or contributions for future issues.

*Diego Benavent and Mikhail Protopopov, on behalf of the Newsletter Sub-Committee*
