

Name
Marloes van Onna

Country: The Netherlands

Contact e-mail: m.van.onna@mumc.nl

Year of birth: 1982

Mains diplomas:

MD: 2008

Rheumatologist: 2015

PhD, year and subject: 2015, early identification of axial spondyloarthritis.

Current position and hospital/university: Maastricht University Medical Center, rheumatologist, member of staff

Position within EULAR/international experience: member of the EMEUNET Education Subgroup

Role as EMEUNET working group member: member of the EMEUNET Education Subgroup

Areas of Research/Interest: epidemiology, spondyloarthritis, rheumatoid arthritis

Keywords: epidemiology, spondyloarthritis, rheumatoid arthritis, multimorbidity.
